Dear parents and carers,

I hope that you are all safe and well.

Thank you so much for bearing with us whilst we navigate the current situation. The response from parents has been amazing and has enabled us to plan effectively moving forwards.

School is open for all Key Worker and vulnerable children from 8:40 until 3:15 each day. As mentioned in my letter last night, when dropping off your child, please bring them to the same entrance of school as has been the case throughout the Autumn term. I will be on the school gates if anyone is unsure of this. The school day will finish for all pupils at 3:15pm. Again, the children will exit the building via the same exits as they have been doing in the Autumn term. If you finish a shift pattern early or wish to pick your child up earlier than 3:15, then please email the school office to confirm this in advance. Whilst in school, children will be taught in their existing class bubble. We will not be mixing the children from different Key Stages.

Once again thank you for letting us know your intentions regarding using our Before and After school provision. This will run as normal from 7:45 until 5:45 and as always we will continue to be flexible around these times. The Before and After school provision will take place in the School Hall. Please come to the front entrance of school to drop off and pick up your child, if you will be using this facility.

Hot lunches will be provided as normal for the children. They will have the choice of either a hot meal or the option of a jacket potato and salad.

PE will continue to be delivered in school, and the children will need to come to school in their PE kits (make sure they have track suit bottoms and a top) on the following days:

Reception	–	Wednesday afternoon
Year 1	–	Thursday afternoon
Year 2	–	Thursday afternoon
Year 3	–	Monday afternoon
Year 4	–	Monday afternoon
Year 5	–	Tuesday afternoon
Year 6	–	Tuesday afternoon

On none PE days, please can the children come to school in their normal school uniform.

Home/online learning

The feel (and guidance) of the previous lockdown from March to May, was that Key Worker care was very much used as child care. This will not be the case throughout this new lockdown. Teachers will be delivering online live lessons via Zoom each day and work will be available for the children to complete and return to school via class dojo. Class teachers will let you know via Class Dojo the subject of each online lesson and will send out a link in advance. We are

HUTTON RUDBY PRIMARY SCHOOL

determined to provide the children with the education that they deserve both inside and outside of school, coupled with making learning as fun and exciting as we possible we can.

Please find below our weekly live online lessons timetable. We have endeavoured to try, where possible, to avoid any cross over of siblings. I am conscious that many people will be working from home and sharing devices, and that siblings may need help throughout live lessons. I am also conscious that our delivery of live lessons will constantly develop and evolve over time as staff and children alike become more confident and ofay with this system of working.

Our first live lessons will commence this Thursday. As mentioned above, class teachers will be sending out a link in advance of this via Class Dojo.

If anyone is unsure as to how Class teachers will be uploading work via Class Dojo, and how parents can send work back to school, then please click on the link below. This will take you to an online video which will explain these processes to you.

What is ClassDojo Portfolios and How Do I See My Child's Work? – ClassDojo Helpdesk

Additionally, if you are unsure as to how to access and use Zoom, then please see the overview of accessing a meeting through zoom attached to this letter. However, I am sure that many of you will be used to using zoom by now.

It certainly felt last night that it was once more unto the breach! However, as always I have been completely blown away by the support and kind words both I and staff have received. I have no doubt that despite another lockdown, we will continue to go from strength to strength as a school. Please feel free to contact either myself or your child's class teacher about anything of the above.

Stay safe and take care everyone.

Yours sincerely

M Kelly
