

**Adding -er and -est to adjectives
where no change is needed to the
root word**

twinkl

Looking at things to find differences and similarities is called **comparing**.
To compare objects, we use **adjectives** to **describe** them.

Let's compare these three pictures.
Match the adjective to the picture.

tall

taller

tallest

What has
changed
about this
adjective?

Small

Smaller

Smallest

We add 'er' and 'est' to adjectives to help make them even better!!!

bright

brighter

brightest

strong

stronger

strongest

tall

taller

tallest

Tell your partner how the adjective **tall** has changed.

The ticket booth is **tall**.

The merry go round is **taller**.

The helter skelter is **tallest**.

The adjective tall doesn't change
and the ending is just added on.

Let's compare these three pictures.
Match the adjective to the picture.
