

# Easter Activity Ideas for Year 6

Create your own board game

make it and write instructions for how to play

Build your own nature reserve

see the instructions in this pack for how to do this

Host an Easter egg decorating contest

make paper mache balloons ones to save your eggs if you need to

Build something you would find in the polar regions

use things from around your house

Thank a community hero

write a letter to someone who helps in your community

Create your own Maths Mystery

create a series of mathematical clues to be solved just like the ones you love doing in class

Be the photographer

Take a collection of arty/stylish pictures of ordinary items in your house

Invent something new

design it, create it and write a short explanation to show how it works

Build a reading den

create somewhere cosy to snuggle up and read your books

Get dancing!

Make up your own dance routine to your favourite song or songs

Create a story bag

Collect or make items to go in a bag to help with the retelling of one of your favourite stories

Build your own Bumblebee nest

see the instructions in this pack for how to do this

Create your own GPS Mystery

Create a series of grammatical clues to be solved just like the ones you love doing in class

Design and build your own rocket

Get permission before launching!

Build an obstacle course

Put your family through their paces and build an obstacle course for them to complete

Make your own Joe Wicks routine

Get everyone in your household to complete it

Go to the zoo

look at the different virtual tours you can do online

Learn basic sign language

see attached sheet

Research a different country and make a holiday brochure

Outdoor creativity

Collect different items from the outdoors and make a collage

Create your own rap or song

It could be inspired by current events

Say Hello!

How many different languages can you learn to say hello in?

Get baking!

Challenge your household to an Easter Bake Off!

Write your own comic book

Write and illustrate your own comic - it could be about anything!

# Nature Reserve Instructions

## How to Make a mini nature reserve

wildlife  
watch

### 1 Choose your site

Choose a safe place to put your window box – somewhere like an old bench or wall at an easy height for inspection.

### 2 Gather your materials

- window box
- a small log
- yoghurt pot
- some compost
- a rock

### 3 Fill the box with compost

Always use peat-free compost and save our precious peat bogs.

### 4 Add a few features

Dig in the yoghurt pot and add the small log and rock.

### 5 Leave!

### 6 Keep a diary

Record the changes you see. Make notes using guidebooks and take a photo every week.

### 7 Management

Remove out of control plants or cut them back with scissors.

with thanks to patrick roper for original idea ([windowboxwildlife.blogspot.com](http://windowboxwildlife.blogspot.com))

# Bumblebee Nest Instructions

## How to build a bumblebee nest

wildlife  
watch

You will need:

- terracotta flower pot
- trowel
- dry grass or moss
- sheltered spot that gets some sun

hole in bottom

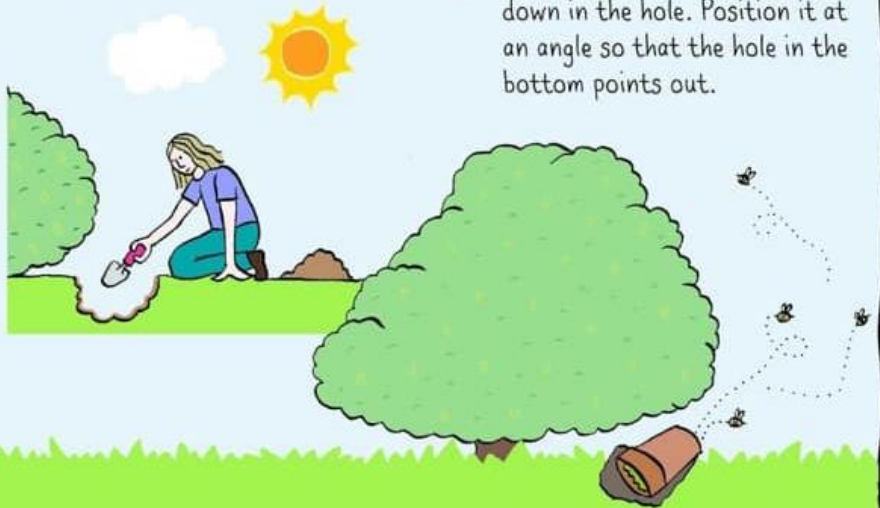

(preferably under a bush)

- 1 Dig a small, shallow hole under a bush. Your chosen site should not get too hot or too cold, and be in sun for about half of the day.

- 2 Fill the flowerpot with dry grass and/or moss.

- 3 Half-bury the flowerpot upside down in the hole. Position it at an angle so that the hole in the bottom points out.

# Mini Wildlife Pond Instructions

## How to build a mini wildlife pond

wildlife  
watch

### You will need:

- an old bucket or watertight container

- spade

- sand

- old bricks, rocks and pebbles

- native pondweed (eg. curled pondweed)

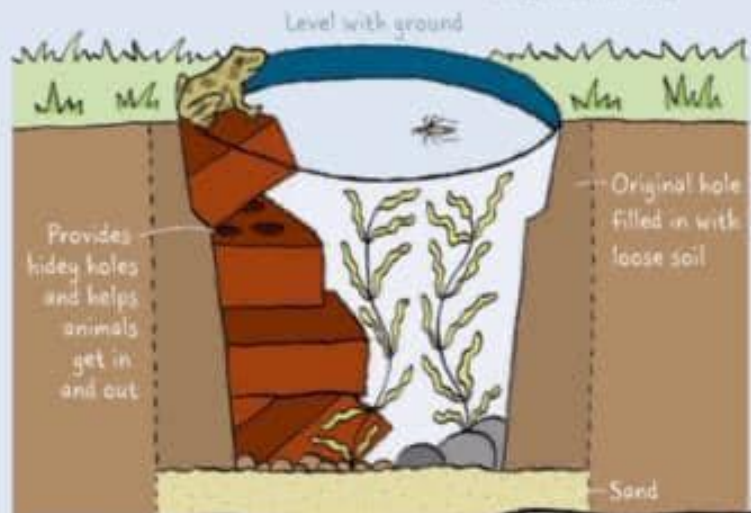

1 Dig a hole deep enough to hold your container.

3 Sit the container in the hole and fill the gaps with loose soil.

2 Remove any sharp rocks and line bottom with sand.

4 Build a pile of rocks and bricks in bottom, scatter pebbles and add pondweed. Fill with rainwater.

# BSL Alphabet

 <b>A</b>	 <b>B</b>	 <b>C</b>	 <b>D</b>
 <b>E</b>	 <b>F</b>	 <b>G</b>	 <b>H</b>
 <b>I</b>	 <b>J</b>	 <b>K</b>	 <b>L</b>
 <b>M</b>	 <b>N</b>	 <b>O</b>	 <b>P</b>
 <b>Q</b>	 <b>R</b>	 <b>S</b>	 <b>T</b>
 <b>U</b>	 <b>V</b>	 <b>W</b>	 <b>X</b>
 <b>Y</b>	 <b>Z</b>	<p><b>Did you know?</b> Sign language dates back to the 1500's. It's now the UK's fourth indigenous language and is thought to be used by over 50,000 people countrywide.</p>
