Year 5 successfully burying their time capsule! Let's hope they remember where they buried it when they dig it up next July!

## A message from Head Teacher, Mr Kelly

Welcome Back! I hope you have had an enjoyable summer; the six weeks has flown by. The children have certainly had lots of exciting stories to share. A warm welcome to the children and families of all our new starters across school. We hope they will enjoy their time at Hutton Rudby and we look forward to working with you. Huge congratulations to Miss Williams who became Mrs Trevis over the summer holidays. We also welcome Miss Palmer and Mr Beckwith to our school, both having successfully completed their teacher training with flying colours at our school last year. Additionally, we welcome Mrs Tumelty who joins our KS1 support staff team.

Dr Seuss, the author of one of my daughter's favourite books, *The Grinch*, once said that, *'the more that you read, the more things you will know. The more that you learn, the more places you will go.'* This year, we have challenged ourselves to generate a love for reading in all our children. Please can you send in or email us pictures of either your child or other family members reading in unusual places. We will be also introducing certificates and prizes for the children who have not only read the most, but read the greatest variety of text types.

The class newsletters sent out this week will explain more about how our school reading challenge will be undertaken, as well as including other information about what your child will be learning this term.

I look forward to catching up with you all, if I haven't already. As always thank you for your continued support. *M.Kelly*

### NO NUTS PLEASE

We do have a number of children in school with severe allergies. Therefore, please remember that our school is a nut free school.

I hope you have all had a relaxing summer break and enjoyed your time with your beautiful families. I'd like to take this opportunity on behalf of Hutton Rudby Primary School's governing body to welcome all the children in our school family back for a new and exciting academic year and a special welcome to our new starters in reception and across the school. As chair of governors. I look forward to working alongside staff and parents for the benefit of our children and the whole school community. *Catherine Devereux*
