HRPS Introduces P.3

In it to win it!

Well done to Year 4 who were our overall best attendees last week with an amazing 100% attendance. It is fantastic to see so many of the children here and ready to learn!

The winning class each week gains an extra playtime at their teacher's discretion – the children love this!

Here are our updated overall totals for each class:

Reception: 96.2%

Year 1: 97.8%

Year 2: 96.7%

Year 3: 96.5%

Year 4: 97.9%

Year 5: 96.4%

Year 6: 97%

ATTENDANCE MATTERS

A message from Head Teacher, Mr Kelly

It has been another busy few weeks! I was amazed to find out that the NSPCC Danceathon raised an incredible £1500. A massive amount of money for such an important cause. Thank you for all your support helping the children with their sponsorship forms. The weather has been so wet this winter that the playground particularly at the front of school has become very muddy in places. I apologise for any inconvenience caused by children coming home with muddy clothes and shoes. We have had the problem areas power washed down and fenced off and grass seed sown. I hope that given time, the seed takes and the problem will be solved. One week to go before half term. I hope that everyone has a great last week and wonderful half term holiday.

School Values

A massive thank you Mrs Behan who has kindly produced a digital version of our school values badges. #workingtogether

Lunchtime Reminders

Please do not give the children chocolate bars for their packed lunch. We appreciate that there may be an abundance of chocolate left over after Christmas, but several children this week seem to have had a packed lunch that resembled a selection box. If you do send your child with grapes in their packed lunch, please make sure grapes are cut in half. We are a NUT FREE school. We do have a number of children with severe nut allergies across school; please ensure that the children do not have any nuts in their packed lunch. Thank you.

#WorldBookDay

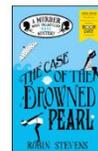

World Book Day – Thursday 5th March 2020

Our theme for this year's World Book Day is *Moving Stories*. We are inviting children and staff to come dressed as their favourite character from a book which has been made into a film. There will be a prize for the best homemade costume in each class – who will be crowned our 2020 winners?

Looking for inspiration? Here is a list of some books which have made it to the big screen:

Charlie and the Chocolate Factory; The Highway Rat; Coraline; The Chronicles of Narnia; Wonder and A Monster Calls.

National Book Tokens Look out for your child's £1 book token which will be available after half term. They entitle the children to one of the free titles from this year's World Book Day £1 book selection, or to £1 off a book of their choice. This year's £1 books include:

BOOK PLEA! HELP US GET MORE BOOKS IN SCHOOL!

Firstly, can we say a huge thank you to all those people who have already kindly donated their pre-loved books to school – we are so grateful and the children are loving them!

We are now on a mission to revamp the texts in our KS2 libraries, and we need your help! Any donations of books for children aged 8 upwards would be very gratefully received.

To help us raise even more funds, our *Scholastic Book Fair* will return the *week commencing 16th March 2020* and will run all week. The book fair will be situated in the ICT Suite after school as it was last year. Children will also have the opportunity to buy books during the school day. The Scholastic Book Fair is a huge benefit to the children as *the more books we sell, the more money we earn to spend on books in school*. There will be more details to follow regarding the book fair, but please put the date in your diary – help build our libraries.

HRPS Introduces...

Our Head Boy, Luke, Head Girl, Alanah, Deputy Head Girl, Freya and Deputy Head Boy, James all met with Miss Clark this week to find out more about her. Let's see what they uncovered...

What do you like about Hutton Rudby Primary School, and why?

Everyone is very supportive – we are one big family! We all have a lot of fun and care for one another. I love coming to work!

What is your favourite animal, and why?

Tiger! I have always loved

tigers, and seals. Seals are the dogs of the sea. I love dogs too!

What would you like to do if you weren't a teacher, and why?

I'd love to be a therapist or a counsellor. I love helping people...and I'm nosy!

Do you like Mr Johnson's jokes?

No! Because they are NOT jokes. They are loooooong stories (it's okay, I can say that because I've told Mr Johnson the same).

What's your favourite Netflix show?

F.R.I.E.N.D.S – I'll be there for you!

What's your favourite shop for clothes?

Asos! Maybe I'll get Mr Johnson a gift card to update his wardrobe.

What's your favourite subject?

When I was younger (your age), it was science. But, now I love Maths; I love teaching it because I always struggled with it when I was younger!

Who is your favourite author?

J.K. Rowling and C.S. Lewis – they're MINT!

We know you love gardening, so what is your favourite plant?

Aloe Vera because it's very healing and soothing, like me!

What is your favourite food?

A Boro parmo! Or, lasagne. I love making lasagne! It was the first thing I learnt to cook!

Thank you to Miss Clark! Who will be next?

This week our amazing Year 3 children visited Tropical World in Leeds as part of their Predators topic. They had an amazing time and learned a lot of new facts about the different creatures.

A trip to Tropical World for Year 3

Are you keeping up-to-date?

Don't forget there are many different ways to keep up-to-date with your child's time at school. Follow us on Twitter (*turn on the notifications so you don't miss a thing!*); assign yourself to your child on Class Dojo to see how well they are doing; celebrate our amazing writer's on Pobble; find out information using the school website; check your Parent Pay emails and messages; and finally, check your child's bag – they love to hide letters in there!
