

Homework/Extension

Step 6: 1, 10, 100 More or Less

National Curriculum Objectives:

Mathematics Year 3: (3N1b) [Count from 0 in multiples of 4, 8, 50 and 100](#)

Mathematics Year 3: (3N2b) [Find 10 or 100 more or less than a given number](#)

Differentiation:

Questions 1, 4 and 7 (Varied Fluency)

Developing Find the odd one out by finding 1, 10 and 100 more or less than numbers up to 1,000. Multiples of 10 used for 10 more/less and multiples of 100 used for 100 more/less.

Numerals and pictorial representations only.

Expected Find the odd one out by finding 1, 10 and 100 more or less than any number up to 1,000. Numbers shown by pictorial representations, numerals and words.

Greater Depth Find the odd one out by finding 1, 10 and 100 more or less than any number up to 1,000. Numbers shown by pictorial representations, numerals and words. Two steps used within a question e.g. 10 more, 1 less.

Questions 2, 5 and 8 (Varied Fluency)

Developing Find 1, 10 and 100 more or less than a number up to 1,000. Multiples of 10 used for 10 more/less and multiples of 100 used for 100 more/less. Numerals and pictorial representations only.

Expected Find 1, 10 and 100 more or less than a number up to 1,000. Numbers shown by pictorial representations, numerals and words.

Greater Depth Find 1, 10 and 100 more or less than a number up to 1 less.

to 1,000. Numbers shown by pictorial representations, numerals and words. Two steps used with a question e.g. 10 more, 1 less.

Questions 3, 6 and 9 (Reasoning and Problem Solving)

Developing Find the total of a set of £1 and 10p coins then find 3 possible totals by adding 1p, 10p and 100p more.

Expected Find the total of a set of £1, 10p and 1p coins then find 3 possible totals by adding 1p, 10p and 100p more.

Greater Depth Find the total of a set of £1, 10p and 1p coins then find 6 possible totals by adding a combination of two more 1p, 10p and £1 coins.

HW/Ext

1, 10, 100 More or Less

4. Find the odd one out.

A.

ten more than
412

B.

C.

four hundred and
twenty two

D.

one hundred less
than 532

E.

ten less than
432

F.

VF
HW/Ext

5. Place the numbers in the correct position in the sequence.

A.

B.

one less
than 215

C.

D.

one
hundred
more than
23

Homework/Extension

1, 10, 100 More or Less

Developing

1. **D**
2. **D, A, C, B**
3. You can see 220p. If the hidden coin is:
1p, the total will be 221p.
10p, the total will be 230p.
£1 the total will be 320p.

Expected

4. **D**
5. **B, A, C, D**
6. You can see 223p. If the hidden coin is:
1p, the total will be 224p.
10p, the total will be 233p.
£1, the total will be 323p.

Greater Depth

7. **F**
8. **A, D, C, B**
9. You can see 322p. If the hidden coins are:
1p and 10p, the total will be 333p.
1p and £1, the total will be 423p.
10p and 100p, the total will be 432p
