October 23rd 2020

Dear Parents / Guardians,

Here at Hutton Rudby Primary School we believe that no child, teen or adult should go hungry, especially as Christmas approaches. In these uncertain times this is sadly a reality for many families who are facing unemployment, uncertainty and closed businesses. As a school, we felt a collective responsibility to our wider community to help, and as such we will be asking for donations of food that will be delivered to local food banks on a regular basis.

If you, or anyone you know, are facing more immediate concerns regarding food, there are businesses in Middlesbrough that are offering to help over the upcoming half-term holiday. These include Manjaros who are offering free essentials for any family living in the area requiring help and The Zetland who are offering free, healthy packed lunches to any child that needs it, starting on Monday (they will need to be contacted on Facebook in advance). If you know any other businesses that are offering a similar service, please let us know and we will update our Twitter.

If you have any food that you would like to donate, please bring it to reception, alternatively your child can give it to their teacher. For a list of food that is specifically required please refer to our website which will be updated as soon as we have a full list.

Thank you, as always, for your continued support in these difficult times,

Kind regards,

Hutton Rudby Primary School
