

Funny Bones

Can you change the sentences into
past tense?

He scratches his skull.

So the big skeleton, the little skeleton
and the dog skeleton leave the dark, dark
cellar climb the dark dark staircase and
step out into the dark dark street.

The big skeleton was sitting up in his
bed.

They walk past their house and to the
shops.

They go into the park.

Suddenly there was something
happening.

The dog skeleton runs for the stick, trips over the park bench and bumps into a tree.

They sing songs for a while.

They decided to hide round corners.

They frighten each other.

Turn into present- put in past
