

'If I wasn't a titchy little runty giant only
twenty four feet high then I would be stopping
them.'

24 feet is roughly 7 metres tall. Measure how tall you
are.

Measure the length of your arm and the outside of your
leg.

	Me	BFG
Height		7 metres roughly (700cm)
Arm length		
Leg length		

Challenge: Compare the heights and put them in order from tallest to shortest.

Complete the statements using names in your family:

_____ is taller than

_____ is shorter than
