22nd February 2021

Dear Parents/Carers,

I hope you have all had a pleasant half term and hope you and your family have had chance to rest and recuperate. As I begin to see the beautiful signs of spring on what feels like endless long walks and runs I feel a real positivity and promise in the air. Better times are coming and we will, as always, make sure your wonderful children whether they are in our classrooms or on our screens have a safe, happy and most importantly fun half term. With this in mind I am just writing you to remind you about our World Book Day Celebrations this year and to update you on some of the content for the day.

As a reminder, World Book Day is on Thursday 4th March and our theme is 'Snuggle up and Share a Story'. Children who are in school that day are invited to wear something comfy to go with the 'Snuggle up' theme (this might be pyjamas, a onesie or loungewear) and we would love the children at home to do the same! Each teacher has chosen a book to share with their class on the day in school and will also record themselves reading the book for those who are at home. Please see the table below for a list of the books being shared in each class. There is no expectation or need to buy a copy of the book or books your children will be sharing on that day if you are at home but I have put a link to where you could buy the book if you were wanting your own copy. I hope you find this useful. I have also put this list on the World Book Day 2021 page on our website, that you can find in the home learning section.
