

Chinese Paper Drum

Follow the steps below to create a loud Chinese drum.

You will need:

- A large lollipop stick
- 2 paper plates
- Paint and paintbrushes
- Ribbon and beads
- Whole puncher
- Glue
- Sticky tape

	1. To begin with, paint the lollipop stick red on both sides.
	2. Next, attach the lollipop stick to the bottom with sticky tape.
	3. Thirdly, spread glue on the inside of each plate and stick them together.
	4. After that, use red paint to cover the outside of each plate.
	5. Then, paint a Chinese symbol onto the middle of both sides of the drum.
	6. Put a hole on both sides of the drum.
	7. Finally, cut the ribbon and put it through the holes. Put beads onto the ends of the ribbon.

Questions to answer below

1. What can you make with the instructions?
2. How many paper plates do you need?
3. How do you stick the plates together?
4. What colour paint do you use?
5. What do you put on the end of the ribbon?
