

MIDDAY SUPERVISION PROCEDURES

Hutton Rudby Primary School

September 2022

General Statement

The school recognises lunchtime is a very important part of the day for the children. It is a part of the day that the children need to let off steam and mix with their friends. The schools' midday supervisors are engaged to ensure they do this in an appropriate manner. All supervisors play a valuable role within the school and children will follow their examples. It is of paramount importance therefore that they set a good example to the children. Good manners and other social skills will be picked up by the children so a cheery, patient, kind and considerate disposition is helpful whilst working alongside the children and other members of their team. A bright, positive approach will gain respect from all!

Employees Duties

Midday Supervisors, under the direction of the Senior Midday Supervisor, are responsible for the welfare, safety and behaviour of all children on the school premises at lunchtime.

The Senior Midday Supervisor must be informed primarily of any absence of Midday Supervisors in order to obtain supply cover. The Headteacher will then be informed of the absence and cover involved.

All Midday Supervisors have details of children with medical conditions.

Communication

This procedure will be part of the schools induction process for all staff.

Midday Supervisors are a necessary and valued part of the whole school team. Advice and/or support from the teaching staff is an important part of a successful and smooth running lunchtime.

Procedures

Children will not leave the premises unless they are collected by an adult; in which case the class teacher will have informed the Midday Supervisors. If a child is ill during the lunch break, the Midday Supervisor will notify the school office.
