OCTOBER
EDITION

WHAT'S
NEW?

Ofsted

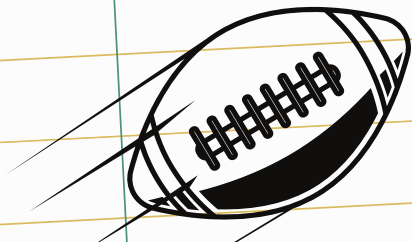

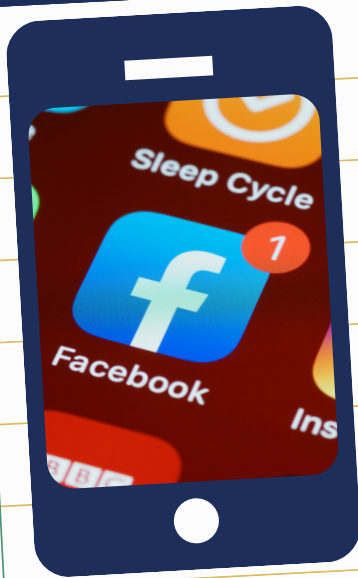

Once again, we want to extend a big thank you to parents and carers who supported school during our Ofsted inspection. We were very pleased to be graded as 'Good' and are excited to continue the hard work that we have put in to making the school an even better place.

Hutton RUGBY

Two fantastic rugby teams represented the school in the last month, one from Year 5 and one from Year 6. In an astonishing turn of events, we secured a historic 1st and 2nd place finish! Not only did the children demonstrate passion, skill and drive, but they also showed fantastic sportsmanship as they shook hands after each match.

We saw so many school values during this tournament, especially individual excellence, determination and a sense of community. They really TRY-ed their best!

Please like and follow our Facebook page, where we will keep you up to date with some of the fun and exciting things that are happening in school. Please complete our Social Media consent form to let us know if you allow your child(ren) to feature on the page:
<https://forms.office.com/e/aHuKgbFZbx>

Personal, Social, Health & Economic Education

After half-term, the children will be learning about Celebrating Differences in PSHE. This topic will look at all of the ways that people are different. This includes celebrating the differences in everyone, making new friends, different families and managing conflict within families, giving and receiving compliments, challenging assumptions, first impressions, challenging stereotypes and understanding bullying. It is a very worthwhile topic and will help our children gain a better understanding of the wider world.

Fire Safety Assembly

We were lucky enough to have a visit from the fire brigade this week. The children learned all about staying safe during the dark nights that are drawing in, with a particular focus on trick or treating and watching fireworks displays.

Fun Run

Our Reception and KS1 children represented the school at a fun-run earlier in the half-term. They had a great day out and learned a lot about fitness, stamina and having a positive attitude. They really demonstrated determination and a healthy mind & body.

Parent Teacher Association / Parents' Football

Our PTA have put a lot of time and effort into collecting the opinions of our children regarding the kind of outdoor equipment they would like, and then sourcing that equipment. This month, they presented school with a wealth of equipment which the children are already loving playing with. A special mention should also go to the HRPS Parent Footballers who have been playing together and raising money for over 2 years.

They have raised a huge amount of money which was added to PTA funds to enable them to buy so much fantastic equipment. School would like to extend a massive thank you to both the PTA and the footballers for their generosity.

If anybody would like to join the PTA or the parents' football match, please catch me on the gate or contact the school office and we will put you in touch with the organisers.

The PTA are looking forward to seeing lots of spooky little ghosts and ghouls at the Halloween disco!

P

Please can parents / carers remember to park considerately when dropping children off and picking them up. It is important that enough space is left for emergency services to be able to pass by cars if necessary. Please do not drive into school unless there is an emergency, this includes parking in the small car park at the bottom of the drive. Please remember that there are children present at the start and end of the school day.
